### For Newly Enrolled Dependents Only

If you enroll a dependent (spouse/domestic partner or child) in the Edward Jones Medical Plan for the first time during Open Enrollment, you will be required to submit documents that verify that your dependent is eligible for medical coverage, as directed by the Plan. In January, you'll receive a packet mailed to your home address from Aptia, an Edward Jones approved partner administering the program for us, with all of the information you'll need to complete the verification process. Failure to prove your dependent meets the eligibility criteria will result in the dependent being terminated from all the Edward Jones benefit plans elected.
