If You become Disabled while covered, Proof of Disability must be sent to the Claim Administrator. When the Claim Administrator receives such Proof, the Claim Administrator will review the claim. If the Claim Administrator approves the claim, This Plan will pay the Weekly Benefit up to the Maximum Benefit Period shown in the section entitled BENEFITS AT A GLANCE, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after the Claim Administrator's initial approval of the Disability claim, the Claim Administrator may periodically request that You send the Claim Administrator Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews, or functional capacity exams, as needed.

While You are Disabled, the Weekly Benefits described in this Benefit Booklet will not be affected if:

- Your coverage ends; or
- This Plan is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If the Claim Administrator approves Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. This Plan will pay the first Weekly Benefit one week after the date benefits begin to accrue. This Plan will make subsequent payments weekly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each week. For any partial week of Disability, payment will be made at the daily rate of 1/5th of the Weekly Benefit payable.

This Plan will pay Weekly Benefits to You. If You die, This Plan will pay the amount of any due and unpaid benefits as described in the section entitled GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who This Plan Will Pay.

If You return to Active Work for a period of 6 months or less, and then become Disabled again due to the same or related Sickness or accidental injury, the Claim Administrator will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, the Claim Administrator will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

DISABILITY INCOME COVERAGE: SHORT TERM BENEFITS (continued)

REHABILITATION INCENTIVES

Work Incentive

If You work while You are Disabled and receiving Weekly Benefits, Your Weekly Benefit will be reduced by Other Income as defined in the section entitled DISABILITY INCOME COVERAGE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT.

Your Weekly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Weekly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Weekly Benefit will not apply.

DISABILITY INCOME COVERAGE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

This Plan will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

- a government compulsory benefit plan or program which provides payment for loss of time from Your job due to Your disability, whether such payment is made directly by the plan or program, or through a third party;
- any salary continuation that the Employer pays to You.

DISABILITY INCOME COVERAGE: DATE BENEFIT PAYMENTS END

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR GOVERNMENT COMPULSORY BENEFIT PLAN OR PROGRAM

If there is a reasonable basis for You to apply for benefits under a government compulsory plan or program, the Claim Administrator expects You to apply for such benefits.

1. With respect to Government Compulsory Benefit Plans or Programs, or to apply means to pursue such benefits through all applicable levels of appeal provided under such benefit plans or programs. You must, within 4 weeks following the date You become Disabled:
 - send Us Proof that You have applied for benefits under such plans or programs; and
 - sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance.

If You do not satisfy the above requirements, We will reduce Your Disability benefit by the amount of such government compulsory benefit plan or program benefit that We estimate You are eligible to receive, provided that We have the reasonable means to make such an estimate. We will start to do this with the first Disability benefit payment under This Plan coincident with the date You were eligible to receive such government compulsory benefit plan or program benefit.

2. With respect to a government compulsory benefit plan or program, or if You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to the Claim Administrator of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When the Claim Administrator receives such Proof, the Claim Administrator will adjust the amount of Your Disability benefit.

If the Claim Administrator does not receive the Written Proof described above, and the Claim Administrator knows the amount of the single sum payment, This Plan may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If the Claim Administrator adjusts the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and the Claim Administrator does not receive the Written Proof described above within 10 days after You receive the single sum payment, the Claim Administrator will adjust the amount of Your Disability Benefit by the amount of such payment.

Your Disability benefit payments will end on the earliest of:

- the end of the Maximum Benefit Period;
- the date You are no longer Disabled;
- the date You die;

- the date Your refuse to follow Your treatment plan;
- the date You refuse an accommodation by Your Employer that would allow You to return to work; or

While You are Disabled, the benefits described in this Benefit Booklet will not be affected if:

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of the Claim Administrator is to focus on associates' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what associates can do versus what they can't, the Claim Administrator can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many associates experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again.

Return to Work Services

As a covered associate you are automatically eligible to participate in our Return to Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services This Plan provides, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. Labor Market Surveys

Studies to find jobs available in the local economy that would utilize your abilities and skills. Also identify your earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications/Accommodations

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or modifications to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return to Work Program Staff

The Case Manager handling your claim will coordinate return to work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES (continued)

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; This Plan pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, the Claim Administrator continues to collaborate with you and your doctor to develop an appropriate return to work plan.

CLAIMS INFORMATION

Disability Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

Claim Submission

For claims for disability benefits, the claimant must report the claim to the Claim Administrator and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described below.

When a claimant files an initial claim for Short Term Disability coverage described in this Benefit Booklet, both the notice of claim and the required Proof should be sent to the Claim Administrator within 45 days of the end of the Elimination Period.

Notice of Claim and Proof may also be given to the Claim Administrator by following the steps set forth below:

Step 1

A claimant should give the Claim Administrator notice by calling 1-800-300-4296. The Claim Administrator will send an authorization form to the Claimant. The Claimant should sign the authorization form at their earliest opportunity and return it to the Claim Administrator.

Step 2

SPECIAL SERVICES (continued)

The Claim Administrator will contact the claimant and/or the claimant's Physician to discuss medical information. The Claim Administrator may also contact your Employer to discuss your specific job duties in detail.

Step 3

The Proof must be submitted to the Claim Administrator not later than 45 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

Items to be Submitted for a Short Term Disability Claim

When submitting Proof on an initial or continuing claim for Disability Income coverage, the following items may be required:

- documentation which must include, but is not limited to, the following information:
 - the date Your Disability started;
 - the cause of Your Disability;
 - the prognosis of Your Disability;
 - the continuity of Your Disability; and
 - your application for:
 - Other Income;
 - Social Security disability benefits; and
 - Workers compensation benefits or benefits under a similar law.
 - Written authorization for the Claim Administrator to obtain and release medical, employment and financial information and any other items the Claim Administrator may reasonably require to document Your Disability or to determine Your receipt of or eligibility for Other Income;
- any and all medical information, including but not limited to:
 - x-ray films; and
 - photocopies of medical records, including:
 - histories,
 - physical, mental or diagnostic examinations; and
 - treatment notes; and
- the names and addresses of all:
 - physicians and medical practitioners who have provided You with diagnosis, treatment or consultation;
 - hospitals or other medical facilities which have provided You with diagnosis, treatment or consultation; and
 - pharmacies which have filled Your prescriptions within the past three years.

Initial Determination

After You submit a claim for disability benefits to the Claim Administrator, the Claim Administrator will review Your claim and notify You of its decision to approve or deny Your claim.

SPECIAL SERVICES (continued)

Such notification will be provided to You within a reasonable period, not to exceed 45 days from the date You submitted Your claim; except for situations requiring an extension of time because of matters beyond the control of This Plan, in which case the Claim Administrator may have up to two (2) additional extensions of 30 days each to provide You such notification. If the Claim Administrator needs an extension, it will notify You prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of the Claim Administrator's notice requesting further information and an extension until the Claim Administrator receives the requested information does not count toward the time period the Claim Administrator is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the extension notice requesting further information from the Claim Administrator.

If the Claim Administrator denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because the Claim Administrator did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed.

Appealing the Initial Determination

If the Claim Administrator denies Your claim, You may appeal the decision. Upon Your written request, the Claim Administrator will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to the Claim Administrator at the address indicated below, within 180 days of receiving the Claim Administrator's decision.

To file an appeal, submit a written request and supporting documentation within **180 days** of the date of the decision letter. Fax the information to 1-844-380-0569, email to DisabilityAppeals@metlife.com or mail it to:

MetLife Disability Appeals Department
P.O. Box 14592
Lexington, KY 40512-4592

Appeals must be in writing and must include at least the following information:

- Name of Associate
- Name of This Plan
- Reference to the initial decision
- An explanation why You are appealing the initial determination

As part of Your appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After the Claim Administrator receives Your written request appealing the initial determination, the Claim Administrator will conduct a full and fair review of Your claim. Deference will not be given to the initial denial, and the Claim Administrator's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, the Claim Administrator will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

SPECIAL SERVICES (continued)

The Claim Administrator will notify You in writing of its final decision within a reasonable period of time, but no later than 45 days after the Claim Administrator's receipt of Your written request for review, except that under special circumstances the Claim Administrator may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, the Claim Administrator will notify You prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information, the time period from the Claim Administrator's notice to You of the need for an extension to when the Claim Administrator receives the requested information does not count toward the time the Claim Administrator is allowed to notify You of its final decision. You will have 45 days to provide the requested information from the date You receive the notice from the Claim Administrator.

If the Claim Administrator denies the claim on appeal, the Claim Administrator will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. Upon written request, the Claim Administrator will provide You free of charge with copies of documents, records and other information relevant to Your claim.

In carrying out their respective responsibilities under This Plan, the Plan Administrator, the Claim Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of This Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of This Plan. STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in This Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents, a copy of the latest annual report (Form 5500 Series) filed by This Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of This Plan, and copies of the latest annual report (Form 5500 Series) and updated Benefit Booklets. The Administrator may make a reasonable charge for the copies.

Receive a summary of This Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the associate benefit plan. The people who operate Your Plan, called "fiduciaries" of This Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries.

No one, including Your employer or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

Enforce Your Rights

If Your claim for a welfare benefit is denied or ignored in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay You up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse This Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If You are successful, the court may order the person You have sued to pay these costs and fees.

If You lose, the court may order You to pay these costs and fees; for example, if it finds Your claim is frivolous.

Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of
