## 2027 Coverage Details – Associate Financial Advisor, Client Support Team, & Home Office

The following charts provide information about your benefit coverages, including an overview of key plan features. For full details, see the Investing in You benefits website: [www.edwardjonesbenefits.com](http://www.edwardjonesbenefits.com).

### For Newly Enrolled Dependents Only

If you enroll a dependent (spouse/domestic partner or child) in the Edward Jones Medical Plan for the first time during Open Enrollment, you will be required to submit documents that verify that your dependent is eligible for medical coverage, as directed by the Plan. In January, you'll receive a packet mailed to your home address from Aptia, an Edward Jones approved partner administering the program for us, with all of the information you'll need to complete the verification process. Failure to prove your dependent meets the eligibility criteria will result in the dependent being terminated from all the Edward Jones benefit plans elected.

1 Fully discounted rate is the rate you'll pay if you and your spouse/domestic partner earn the maximum Well-being program incentives and are not subject to the tobacco cessation surcharge.

2 One person or a combination of covered family members must meet the full family deductible before the plan begins paying covered claims as per the plan terms (e.g. 80% in network or 60% out of network).

3 One person must meet the full per-person deductible. Once that person or a combination of members also meets the family deductible, the plan begins paying covered claims as per the plan terms (e.g. 80% in network or 60% out of network).

4 A tobacco cessation program is available through Personify Health to earn back the surcharge. If you think you and/or your spouse/domestic partner might be unable, due to health status, to participate in the tobacco cessation program, you might qualify for an opportunity to earn the same reward by different means. You may contact Personify Health at 833-880-4209, and they will work with you (and, if you wish, with your doctor) to find a well-being program with the same reward that is right for you in light of your health status.

## Semi-Monthly Well-being Rewards - Medical Premium Discounts

| Activity                  | Maximum Semi-Monthly Reward of:        |
|---------------------------|----------------------------------------|
| Medical Premium Discounts | \$33.33 per person; \$66.66 per family |

Associates enrolled in the Edward Jones Medical Plan after January 1, 2026, can earn discounts up to \$800\* toward their 2027 medical plan premium. Covered spouses/domestic partners also can earn up to \$800\* discounts toward the medical plan premium. Please see the details in the Well-being programs information on [Investing in You](#).

**Note:** Associate + Spouse/DP, and Associate + Family Coverage: If you have Associate + Spouse/DP, or Associate + Family coverage, then your spouse or domestic partner can participate to earn medical premium discounts. If you have Associate + Child(ren) coverage, the discounts for your child are already applied to the monthly premiums so no additional discounts need to occur. A maximum of one dependent discount per family applies. Savings assume participation in the medical plan for all of 2026.

**Alternative Means for Discounts:** Discounts are available to all associates enrolled in the Edward Jones Medical plan. If you think you and/or your spouse/domestic partner might be unable to meet the standard for a discount, you have an opportunity to earn the same discount by different means. You may contact Personify Health at 833-880-4209, and they will work with you to find a well-being program with the same discount that is right for you in light of your health status.

# Supplemental Life Insurance Options

Rates are based on age and tobacco status. Find the correct rate (tobacco user/non-tobacco user, age) and multiply it by the number of thousands of coverage. Your purchase limit is up to \$2.0 million.

**Example:** Non-tobacco user, age 42, requests \$200,000 in coverage. Rate is \$.041 X 200 = \$8.20/ month.
